## Important information

Principals relying on this certificate should ensure it is accompanied by a statement under section 175B of the *Workers Compensation Act 1987 (NSW)*. Principals should also check and satisfy themselves that the information is correct and ensure that the proper workers compensation insurance is in place, i.e. compare the number of employees on site to the average number of employees estimated; ensure that the wages are reasonable to cover the labour component of the work being performed; and confirm that the description of the industry/industries noted is appropriate. A principal contractor may become liable for any outstanding premium of the sub-contractor if the principal has failed to obtain a statement or has accepted a statement where there was reason to believe it was false.

**Acquisition of Waterlogic Australia Pty Ltd (Waterlogic) by Osmosis Holdings Australia 1 Pty Ltd (Osmosis)**

This letter is to confirm that Osmosis acquired Waterlogic on 1 December 2022.

Osmosis is the ultimate Australian parent company of Zip Heaters (Aust.) Pty Ltd (Zip) and Zip Water Services (QLD) Pty Ltd (Zip QLD).

After completion of the acquisition of Waterlogic a decision was made that the majority of employees of Waterlogic would be transferred to Zip and thereafter Zip would provide the services necessary for Waterlogic to continue to conduct its business.

A smaller group of specialised Waterlogic service technicians would be transferred to Zip QLD who would then provide the services support required for Waterlogic customers in Queensland.

The transfer of employees and the on-going services arrangement became effective from 1 April 2023.

Please contact the writer below should you require any further assistance or information.

Yours sincerely
